PASTA & PIZZA

A Message To Parents

We work very hard to make Osteria 832 a family friendly restaurant where you can enjoy an affordable, delicious, freshly-prepared meal in a relaxed casual environment. Please help us provide a great dining environment for all of our guests by having your children follow these simple rules of etiquette:

Thou shalt not throw food or smear food on the furniture. Treat our restaurant with the same respect that you would treat your own home.

Thou shalt not scream. Out of respect for our other guests, please take your child outside if they are screaming or crying.

Thou shalt not run around the dining room. For your child's safety (our servers are moving quickly & carrying hot food) & the dining pleasure of our other guests, please make sure your children are seated throughout your meal. Unattended children will be sent home with a Red Bull and a puppy. Thank you. We appreciate your business.
